re: Response to Restriction Requirement
Application No.: 10/771,672
Filing Date: 02/03/2004
First Named Inventor: Anthony H-Y Wong
Atty Docket: WONA0012003a

Dear Sirs,

In respect to claims 1-36, this letter is responsive to the Examiner's Office Action dated 02/13/2006, both in its first and second divisions.

In response to the first division, we elect examination of:

Invention I Claims: 1-6, 11-29, 31 and 35 drawn to a vehicle.

Method claims 7-10, 32-34 are not elected. Method claims 30 and 36 are not elected. No traverse is offered. No request for reconsideration is made.

In response to the second division (Inventions A – F of Invention I, page 3-4 of the 02/13/2006 Office Action), we respectfully request reconsideration and clarification before final action is taken. Of course a tentative election will be made here, but our concern is much more than proforma and goes to the heart of the scope and nature of the invention.
